TRAINOR ELECTRICAL SAFETY VIETNAM ATEX & IECEX SEMINAR 2018

INTRODUCTION

While certification of Ex equipment is covered by the IECEx Certified Equipment Scheme, the IECEx Certification of Personnel Competence Scheme provides the means to certify personnel who has qualified knowledge and skills for working with explosion-protected equipment. A Certificate of Personnel Competence (CoPC) is issued when applicant complies with the scheme requirements according to Units of Competence in the scope of the application. Competent persons are intended to work in many areas related to explosion-protected equipment such as design, installation, inspection, maintenance, repair and overhaul, etc. Trainor, an IECEx Certification Body for Certification of Personnel Competence for Explosive Atmospheres, is approved to provide assessments and issue IECEx CoPC.

OBJECTIVE

To bring you latest information about IECEx CoPC and its development that will benefit for your daily works and industries.
